News & Prayer

August 2007

Dear IOM Family & Friends,

It is the rainy season. We thank God for the rain because it is a blessing from Him and we are thankful that we are still able to conduct many successful activities. Thank you for your prayers and support for this ministry. Please pray for the island and mainland church workers and their families, our missionaries, and our supporters, for their faithful work in the sharing of the Gospel with the unsaved and the teaching of God's Word. May the Lord continue to shower His blessings upon them. Let's work for God's glory, knowing that our labor is not in vain in the Lord. All the glory, honor, and praise belongs to Him.

Highlights:

EAT (Evangelistic Action Team)

The Evangelistic Action Team (EAT) is a ministry of the IOM Youth department. Its purpose is to reach out to the islands through church ministry, and sharing the gospel, and training young people to be used for God's glory. The Evangelistic Action Team is for Christian youth desiring to serve the Lord at their young age.

The members are trained to share the gospel, sing & lead songs, act in dramas & skits, use puppets, and teach little ones effectively.

Calape Pre-School Nutrition Day

The parents prepared many nutritious foods. They enjoyed their presentations, contests, and eating. The parents listened to the Word of God when the speaker shared the message to them.

Nutrition Day at Calituban

Theme: *“Healthy lifestyle ng kabataan landas sa kinabukasan”* Webzy White was the special speaker at Calituban.

Elementary School Evangelistic Campaign (ESEC)

IOM conducted an ESEC at Tawid Elementary School, San Jose, C.P.G. Bohol. There were 85 students who heard the gospel and many of them prayed to receive Jesus Christ as their personal Savior. Please pray for these little ones that the Word of God will not pass by, but will remain and grow in their hearts.

Pitogo Crusade

During the two-day crusade a basketball tournament was held during each day. On the first night there was a film showing and preaching. The second night was drama, with the IOM team presenting *“Nisubang ang adlaw sa tungang Gabii”*, and a challenge by one of the pastors. There were some who came forward to trust the Lord Jesus Christ as their Savior. Glory be to God!!
