Bohol – Philippines

News & Prayer – August 2009

Dear Friends & Prayer Partners

I thought it must be time to write again since I can't remember the last time I sent out a newsletter. Sorry about that. I hope you are still thinking of us and praying. We pray for you all in our daily staff devotions.

Here are a few photos to remind you of some of the ongoing activities and projects of the ministry.

Ptr Jun Carnice has been working on a church building at Sandingan for some time. Thanks to some recent gifts he has been able to make some good progress.

It's been a big blessing to see the numbers attending our monthly Teacher's Fellowship grow this year. We have 12 schools represented.

The Dep of Ed is insisting that these church ministries be registered so pray for us as we face this challenge together.

What a blessing to see the numbers and the enthusiasm in our 2nd batch of BTCP Trainees!

Pray for these men as they come together each month to study and prepare themselves for leadership in their island churches.
