NEWS & PRAYER

MARCH/APRIL 2008

Dear IOM Pastors, Workers, & Friends,

*This is our report for March and April.
Great is our God and with great power.
Praise Him for His goodness to us. To God
be the glory.*

Highlights:

Church Leadership Training

We had our 4th class last Mar.14-15 on the subject: *How to Witness*.

From April to June we will be combining CLT with BTCP so all our church leaders and workers can study the subject, *Church Ministry, Administration & Education*, together.

Youth Night

We wrapped up our weekly student's fellowship for this school year with a special thanksgiving celebration for the graduates. The students return to their islands now for their vacation time.

Galilee Seawall Construction

Construction is progressing well. The wall has more than tripled in length over the past month. A special thanks to those who have helped with this. Most of the property has been cleared as well and I

am excited about the future of Galilee Ministries.

We have almost reached our target for purchasing an adjacent property as well. Pray that we can settle with the owners soon.

Preschool Recognition

March is a flat out month for attending school Recognition Programs. I attended 12 in 3 weeks, speaking on 6 occasions. The Island Church schools conducted 8 preschool recognitions at Pitogo, Guindacpan, Banacon, Calape, Calituban Malingin, Mahanay, and Bilangbilangan. The theme was:

“Little light let it shine”

Banacon

Calape

Bilangbilangan

One of our sponsored island girls, Malona from Guindacpan Island, graduated cum laude from Teacher's College.

The daughter of Ptr Boy Perez, Milona, from Pitogo, graduated from nursing school.

Two young people were baptized at Bilangbilangan by Ptr. Samuel Blanco.

I attended a Jagoliao Church Youth Thanksgiving day in honour of their graduating young people. Several expressed their desire to be baptized.

Jandayan Church celebrated their 17th Church Anniversary.

We were able to buy a new Honda 125 for the ministry thanks to 2 generous gifts received during the last few months.

And Pastor & Mrs Earle & Sandy McKay came for a 2 week visit and I was able to enjoy encouraging times of fellowship with them.
