**October 2007**

*Dear IOM Pastors, Workers, &  
Friends,*

Great and mighty is our Lord Jesus Christ for helping us in our ministry. Thank you for your prayers. Praise God for the people who encourage us through prayer. Praise Him for His blessings of health, knowledge, wisdom and grace. Glory to God!

**Highlights:**

**ICare seminar**

Last month I-Care conducted a seminar for the pastors. They gave lectures, workshops, and demonstrations in preparation for reaching souls through the distribution of food and medical aid.

**Calape & Calituban Intramurals**

We thank God for the successful Pre-school intramurals at Calape and Calituban. There were competitions such as cheering, games, Bible quiz, poems, and the selection of little Mr. and Miss Intramurals. The most important part was sharing the word of God with all in attendance. The theme was "The Way to Victory". The message encouraged everyone that it's not important to win every competition, but the most important thing is to win Jesus Christ (Philippians 3).

Pray that they will trust Him completely, because that's the real victory through Jesus Christ.

**EAT's tour @ Bilang-bilangan**

The EAT had a tour last month at Bilang-bilangan. They engaged in personal evangelism and invited young people to a special Youth Evening. They led the Sunday service and taught the children's classes.

**ESEC at Suba & Alumar**

There were 459 children who received the Book of Hope distributed during ESEC - Elementary School Evangelistic Campaign. Many children heard the Word of God and His plan for salvation.

Some made decisions to trust the Lord Jesus Christ as their personal Savior.

Pray for the spiritual growth of these children who were reached out to through ESEC.
