News & Prayer

September 2007

*Dear IOM Brethren & Friends,*

*Greetings in the precious name of our Lord Jesus Christ.*

Praise God for the successful activities conducted this month, in spite of the difficulties encountered, God is always there to provide everything that we need. We thank God for guiding us, and helping us in everything we do for Him. Thank you for your prayers and support. May the Lord bless each one of us as we continue to impart the gospel to those who are lost. All the Glory, Honor and Praise belong to our God and Saviour Jesus Christ.

### **Women's Fellowship**

There were almost 50 women who attended the fellowship; the Theme was "Ang Bilihong Kabilin" and the speaker was Mrs. Mellie Beltran. They enjoyed the games and the cooking contest, and were challenged by the Word of God.

### **Preparation for the cooking contest**

The women were divided into four groups - Sarah (maja blanca), Dorcas (chicken affritada), Ruth (chupsoy) and Esther (corn soup). The over-all competition champion was Ruth. We thank God for the very good time of fellowship the women were able to enjoy together.

### **EAT @ Galilee**

The Evangelistic Action Team had their first ministry assignment at Galilee. They were responsible for teaching Sunday School classes, leading the singing, and participating in the service.

### **ESEC @ Jandayan & Mahanay**

There were over 140 children evangelized at Jandayan Elementary School and 235 children at Mahanay. Many prayed to accept and trust the Lord Jesus Christ as their personal Savior. Please pray that the Word of God heard by these little ones will grow in their hearts and they will continue to know more about Jesus. Praise God!

### **Youth Circuit Fellowship @ Banacon**

The young people who attended the fellowship came from the different islands. They enjoyed their games, eating, and listening to the Word of God with the theme "Standing on the Promises of God". They were happy to meet new friends and get to know each other.

### **IOM's new kitchen**

The new kitchen at admin was finished with the help of kuya Glen. We would like to say thank you for your effort, time, and your life for helping us with our ministry. May the Lord bless you more and continue to use you for His glory.
