

Creation Sunday, or any occasion when the nature and work of God as creator or the environment are celebrated

Invitation to Confession

The Lord God took the man and put him in the garden of Eden to till it and keep it.

Silence may be kept

Let us confess our selfishness and greed towards creation

Preface

All glory and honour are yours always and everywhere, blessed Creator God,
for you created the universe and all that it contains,
inviting us to know you through a world of bountiful delights.

We give you thanks for your Son Jesus Christ, your living Word, who reveals your love
for all that you have made.

Through his death and rising he offers redemption and sacrificial life to all creation,
inviting us to share in your creation and offer you the true worship of adoration and
praise

Therefore with angels and archangels.....

Prayer after Communion

Holy God, source of all life and love
May we who have received this sacrament
Live as carers of creation
And channels of your life giving spirit
For the redemption of all you have made.
Amen

Blessing

Christ, the Word of God, through whom all things came into being
And through whom all things hold together,
Grant you lightness of step,
Generosity of heart
And a passionate hope in the redemption of all things
And may the blessing of God – Creator, Redeemer and Giver of Life bring you and all
Creation to your true end
Amen
